

IDC UROP STUDENTS PRESENTED AT THE LEAP SUMMIT 2018

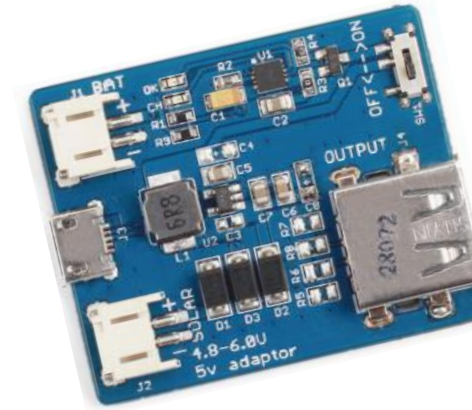

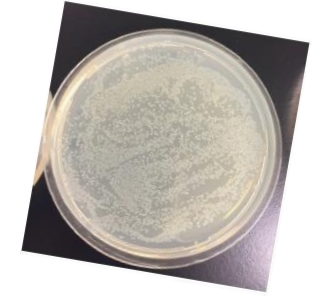

IDC UROP: EMPOWER

Team Members:

Kelly Khoo, Anuradha Chopra, Rebecca Nicole David, Shalv Parekh, Nicholas Ng

The summit is organized for young change-makers to get inspired, network and share their ideas by the Croatian Office for Creativity and Innovation, sponsored by the European Commission.

The project aim to develop an affordable water filtration membrane that is able to filter out germs and bacteria to make dirty water potable and to design and fabricate a portable battery system that is able to be detached easily and transported to its desired location once charged fully.
